

Composition of product
“Entretien canalisations - Le Lynx - CH0452”

January 16th, 2025

As requested, please find below the complete composition of the product:

- **Entretien canalisations - Le Lynx - CH0452**

This information is only intended for official custom services and authorities.

For CHEMBO BEVIL S.A.

Thomas Colpaert
R&D Manager

Name Entretien canalisations - Le Lynx - CH0452
Internal reference 108046.00

INCI – IUPAC:
Aqua
C12-14-oxoalcohol polyglycoether, 9EO
Propylene Glycol
Amylase
Subtilisin
Sodium Chloride
Celullase
Colorant
benzothiazolone
Methylisothiazolinone
Pigment
Bacterial culture, non-patogenic
Parfum
